Product highlights

Reliable performance

In manufacturing excellent technology is being used to guarantee a reliable and long term performance.

Zinc-air technology

Zinc-air technology to power your hearing aid.

Easy color coding

To make recognition of the most common battery sizes easier, we use color coding for battery sizes according to industry standards.

Easy rotary dispenser

In this packaging system a rotary wheel is used which makes removal of the cell very easy.

Shelf life up to 2 years

Every battery suffers from energy loss when not in use. We guarantee that the battery contains at least 80% of its initial energy within the best before date.
